MILITARY / LAW ENFORCEMENT

870 MCS

(Modular Combat Shotgun)

ABOUT

The Remington Model 870P line of shotguns is the standard by which all other combat shotguns are judged.

They have been in constant use since their inception in 1950 by all branches of the US Military as well as by many countries around the world.

The 870 Modular Combat Shotgun (MCS) is an evolution of the legendary 870 Police. This system provides multiple barrels, magazine tube extensions and stock options that can be installed by the operator on the ground without tools. This revolutionary system provides the warrior with the ability to configure the weapon to meet the mission.
